

This must, indeed, be a splendid country!" thought the Tsar. "I could do with a new toilet to impress my trusted poop collector."

*The Magical Country.*

*The loot.*

"If I had such a country I might at once find out what men in my Empire are unfit for their job, I would be able to conscript them into my army's elite Storm-Z units! This country must be invaded immediately"

He gave large sums of money to The Charlatans in order that they might begin their work at once.
