

/heartless Commissar of children's "rights" - Maria Lvova-Belova. A Demon who stalked the Magical Country preying on the weakest and most defenceless in Society. Yet what the child had said was whispered from one to another.

A quiet murmuring rippled through the assembled throng. "Are we all mental? Surely, that cannot be. We must always blame someone else for our own failings." "Re-educate the stolen children!" at last cried out all the people.

*The Child Snatcher*

The Tsar cared to believe that the people were right. He thought the Special Military Operation must go on until he had despoiled the entire World!
